Donate your bottle money to SHOC:

- 1 Already have an account? Here's the link to donate to SHOC, where you can make a direct donation from your personal BottleDrop account to the SHOC Foundation.

- 2 Ask us for a Fundraiser Blue Bag that has a SHOC Foundation barcode on it. Fill it with bottles and cans, tie off the bag and drop it off at a BottleDrop location. The barcode tag affixed to Fundraiser Blue Bags can be used to open the secure drop door at any BottleDrop location for easy, hassle-free drop off. Check the website for hours of operation before dropping off bags.

Note: only 25 glass bottles can be placed in any bag due to weight restrictions... just fill the rest up with plastic bottles or cans.
