Dear Sponsors, Supporters and Friends of SHOC –

We are excited to announce our **10th Annual Drive Out Ovarian Cancer Golf Tournament** to be held again for our 4th year at the beautiful **Langdon Farms Golf Club** in Aurora, Oregon, on **Friday, September, 7, 2018**. We are also excited to share that for the 7th year in a row, our Event Sponsor is **Directors Mortgage**. Their continued support of the SHOC Foundation has been so generous and we can't thank them enough for their partnership and philanthropy. The Tournament will begin at **7:45am** with an 18-hole scramble, shotgun start. At the tournament, golfers will enjoy a continental breakfast and catered lunch, as well as award prizes, silent auction and raffle. This event is a great opportunity to have fun while making a substantial contribution to a worthy cause. Every year our event exceeds our expectations, raising over \$30,000 in 2017 thanks to Sponsors and Participants like you.

In its 9 years running, the **Drive Out Ovarian Cancer Golf Tournament** has raised over \$180,000. This year's goal is to raise \$35,000 for the support and research of Ovarian and Gynecologic Cancers. Dollars raised from this event will support research for ovarian and other gynecologic cancers at the OHSU Knight Cancer Institute, as well as help SHOC continue to raise awareness and empower women living with these diseases. Together, change is happening.

Please review the enclosed information for sponsorship and donation details. Monetary and in-kind donations are welcome. Contact the us with questions or concerns by phone or email. **Sponsorship and Donor deadline is August 15, 2018.**

Support your community, support the cause, support SHOC. We are making a difference. On behalf of the Sherie Hildreth Ovarian Cancer Foundation, we thank you for your consideration.

About the SHOC Foundation

The Sherie Hildreth Ovarian Cancer (SHOC) Foundation is a 100% volunteer operated 501(c)(3) nonprofit organization. Since its founding in 2005 by Sherie Hildreth, the SHOC Foundation has donated \$900,000 to support Ovarian and Gynecologic Cancer Research at the Oregon Health & Science University (OHSU) Knight Cancer Institute located in Portland, Oregon.

In October 2004, Sherie Hildreth was diagnosed with Ovarian Cancer and took a leave of absence from teaching to undergo surgery and chemotherapy. As an educator, Sherie felt compelled to understand her disease and raise awareness. The more she learned, the more determined she was to survive and make a difference in the lives of other survivors. This life altering experience motivated Sherie to create the SHOC Foundation, a major monetary contributor and advocate for the prevention and eventual cure for ovarian cancer—the 5th leading deadly cancer among women. Sherie passed away from ovarian cancer in December of 2009. Her family and friends continue efforts in leading the Foundation and keeping the dream alive.
