**A PAP SMEAR IS NOT A TEST FOR OVARIAN CANCER. HELP US DEBUNK THE MYTH AND RAISE MONEY FOR OVARIAN AND GYNECOLOGIC CANCER RESEARCH!**

It's time for change. By joining us as a Sponsor on **Saturday, August 3rd** for our **15th Annual SHOC Walk & Run**, we can achieve for ovarian cancer what the pap smear has done for cervical cancer, the mammogram for breast cancer, and the PSA test for prostate cancer. Together, change is happening and a difference is being made.

Our fundraising goal for this event is \$70,000. Monies raised will support research for ovarian and other gynecologic cancers at the OHSU Knight Cancer Institute, as well as help the SHOC Foundation continue to raise awareness and empower women living with these diseases.

We hope you'll join us! Please find Sponsorship and Event details enclosed, including a new online Sponsor Payment option. On behalf of the Sherie Hildreth Ovarian Cancer Foundation, thank you for your support!

## ABOUT THE SHOC FOUNDATION

Sherie Hildreth was diagnosed with stage IIIC ovarian cancer in the fall of 2004. She was a wife, mother and 6th grade teacher. In pursuit of shining a little light on the disease, Sherie found herself in the midst of operating a full-fledged nonprofit organization. Her mission was simple: raise awareness, support survivors and fund research. In 2009, Sherie succumbed to the disease, but her legacy lives on. The SHOC Foundation continues to operate as an all-volunteer nonprofit organization, which to date, has donated \$1 million to ovarian cancer research at the OHSU Knight Cancer Institute in Portland, Oregon.
