

2009 FUNCTIONS

The **SHOC Foundation** had an amazing 2009! We would like to take this opportunity to thank all of our event team members, volunteers, sponsors and contributors for helping us with such a successful year. Despite a sagging economy, the **SHOC Foundation** donated \$53,000 to the **OHSU Knight Cancer Institute** for Ovarian and other Gynecologic cancer research. After five years, the total amount donated is more than **\$225,000.00!!** We appreciate everyone's enthusiasm, endless hours of time and belief in what we hope to accomplish: to find a marker or a cure for ovarian cancer.

Our Fifth Annual Empowerment Walk/Run was bigger than ever and resulted in donations of over \$43,000! August 1, 2009 provided us with a beautiful, sunny day. **Latus Motors Harley Davidson** sponsored another great morning of food and fun while **KINK FM Radio** entertained us with music, and then assisted in the start of both the 5k and the 10k walk/run. The **Last Regiment of Syncopated Drummers** performed at the finish line and entertained the crowd. It truly was a successful event with about 700 participants. Thank you to **Rhonda Shelby**, our emcee, for keeping us on track and organized. We appreciate your smiling face year after year and look forward to seeing you back this coming August. Thank you also to the **Rose City Rollers** and the **Rose City Hogs Motorcycle Club** for providing such fun and unique entertainment. And many, many thanks to our much-appreciated volunteers who facilitated a well-organized and thoroughly enjoyable event.

The **Teal Ribbon Luncheon II** was held on May 17, 2009 and generated over \$17,000 for **SHOC**. "We had such a great time" is what everyone who attended kept saying. There were about 200 people enjoying lunch, bidding on silent auction items, buying blindly off the Wine Wall and winning raffle prizes. Our one oral auction item, a package weekend at Gearhart, made for a fun bidding war. Speakers from both OHSU and NW Cancer Specialists were an educational delight. Our thanks to all of the volunteers who helped at the luncheon and to the event organizers who worked so hard to make everything run smoothly.

Lamb's Market in Wilsonville sponsored a Bottle Drive and Pancake Breakfast on June 13th. **Peet's Coffee** provided low-priced coffee and the efforts of the day rewarded us with about \$800. Many thanks to **Mark Wood** and his staff; we appreciate this very loyal sponsor.

The **1st Annual Heidi Moore Angell Invitation Golf Tournament** was held on June 26, 2009. Golfers hit the links at Colwood National Golf Club at 8:00 AM and enjoyed a fun day of food, golf and prizes. It was a very successful event that raised over \$14,000 for **SHOC**.

2009 HAPPENINGS...

Conduct a Search – Make a Donation

Now you can raise money for **SHOC**, your favorite charity, just by surfing the Net. Imagine if every time you logged on and looked up the caloric content of the snack you just ate, or checked current road conditions, or researched the latest celebrity gossip, you earned money for **SHOC**. With each search you launch on www.goodsearch.com, one cent goes to our charity. You simply select this organization from a database, and then tell all your friends, tell your friends to tell their friends and so on. If 1,000 people search twice a day for a year using "**Sherie Hildreth Ovarian Cancer Foundation**" as their charity of choice, the charity earns \$7,300!

Burgerville Night

At the Gladstone Burgerville, on June 5th, the **SHOC** team rolled up their sleeves and bussed tables, swept floors and chatted with diners about ovarian cancer and **SHOC**. During this three-hour promotion, \$500 was earned for the **SHOC Foundation**. This was a combination of 10% of food sales and private donations.

Whole Foods "Token Box" Program

A Token Box was placed in the store from July through September, 2009. When a customer used their own grocery bags, they were given a token worth 10 cents which they placed into the designated **SHOC** Token Box. Donations from this program totaled \$655 for **SHOC**.

Rose City Rollers Fundraiser

Held on July 30, 2009, all diners at the Delta Café on Woodstock Blvd. received a free raffle ticket for season passes. Forty percent of all food and drinks sales were donated to **SHOC**. This well-attended event raised over \$1,400.

Macy's Shop for a Cause Event

This annual partnership event, which was held on October 17, 2009 afforded non-profit organizations like **SHOC** the opportunity to sell passes for \$5.00 each and keep 100% of the proceeds. Customers then used these passes to receive exclusive all-day savings at any Macy's store on the event day. **SHOC** realized \$1,625 for our participation.

A Rainbow Journey

Through the use of a child's story, the whimsy and delight of the characters of "The Wizard of Oz," and carefully developed interactive exercises, cancer survivors and their support partners will learn new ways to cope with their changed lives in a series of workshops or wellness events created for cancer survivors and their support partners. Participants will celebrate together the gift of *today*, as they travel on a very special journey of discovery "over the rainbow."
